FOR IMMEDIATE RELEASE

### Title: **Empower Your Computer Skills with Adult Tech Classes at Allegany County Library System**

The Allegany County Library System is excited to announce a series of Adult Tech Classes designed to help community members enhance their confidence and proficiency with everyday technology.

The Adult Tech Class series covers a range of essential technology topics designed to improve digital skills. The series kicks off with Computer Basics on November 2 at 10:00 a.m. at the South Cumberland Library, where participants will learn foundational skills for navigating their devices. Other classes include Cell Phones (November 19 at 3:00 p.m. at LaVale Library), which focuses on optimizing smartphone features, and Online Safety (November 21 at 1:00 p.m. at Frostburg Library), offering crucial tips on secure browsing and protecting personal information. For those who received a Chromebook through the Connected Devices program, Chromebook 101 on November 23 at 10:00 a.m. at South Cumberland Library will provide step-by-step guidance on using their new device.

"We understand that technology can sometimes feel overwhelming, but our goal is to provide a comfortable and welcoming space where anyone can learn at their own pace," said Shane Drake, Service Leader at the South Cumberland Library. "Whether you're new to using computers or want to explore more advanced features on your smartphone or Chromebook, these classes are designed to build confidence and help people feel more connected in today's digital world."

**Registration is required** and space is limited, so be sure to reserve your spot early. To register, call 301-724-1607 for South Cumberland Library; 301-687-0790 for Frostburg Library; or 301-729-0855 for LaVale Library.
